Ideal for all outdoor events. The bandstand has a base dimension of 7.3m x 5.48m and deck height up to 60cm and canopy headroom of 3.2m. Walls can be fitted to the rear and two sides if required, with steps available for units over 20cm in height. Adjustable legs can be supplied to overcome uneven surfaces, which being adjusted from the top of the deck makes leveling of the system extremely quick and easy. All decks are aluminium framed with an anti-slip timber surface as standard. Can also be used independently of the cover for indoor functions if required. Please note hire price excludes VAT and transport costs.
